**"Mercy and Justice"**

[January 9, 2022- #4817 Music & the Spoken Word \(thetabernaclechoir.org\)](#)

*Thankfully, we can count on a God who is both perfectly just and perfectly merciful. He loves His children, but also corrects them. He sets high standards, marking a straight and narrow path, but He also provides a way back for all who wander off that path. God's mercy is just, and His justice is merciful.*

**Judy Note: On Wed. 29 June** a Military Contact, Trump's former news secretary (and who was believed to be JFK Jr's daughter) Kayleigh McEneny and in the news out of Australia reported

that the US Supreme Court had ruled the 2020 Election was not valid because of Election Fraud and therefore the Election was overturned, with Biden and party on their way to GITMO Tribunals.

From information gained out of President Joe Biden's son Hunter's laptop it appeared that Biden has likely committed Treason by working with a corrupt Chinese Communist Party that had plans to take over the US and making personal financial deals with China and other foreign countries during the entire time he served in public office, including as US Vice President.

Those facts, when combined with 2020 Election Fraud as show in the documentary "2000 Mules," pointed to a need for immediate implementation of Martial Law until a new election could be held.

In reality we have actually been under Martial Law since Jan. 2021 when Trump did not secede the Presidency to Biden and the "fake Biden" was sworn into office as President of a bankrupt US Inc, some of which was filmed on a Hollywood Movie Set a week prior.

We have been watching a movie filled with all kinds of actors and it was about to end.

**Reminder:** No one, and I mean *Absolutely No One* knows the exact time and date that the Global Currency Reset would be finalized, with codes entered for notification of Tier 4B (us, the Internet Group) to set redemption/ exchange appointments – it dependent upon an earth shattering Event such as a global financial crash. **The exact time** would be decided by the Military out of calculations of their Quantum Computer and based upon concerns for safety of The People. **Trust the Plan.**

#### D. The US Supreme Court has recently ruled:

- **(This has yet to be validated): On Wed. 29 June** it was reported from a Military Contact and from Kayleigh McEneny, plus news out of Australia said that the US Supreme Court had ruled the 2020 Election was invalid due to voter fraud. Thus, the ruling overturned the 2020 Presidential Election and sent Biden and his cohorts to Military Tribunals at GITMO.
- **Within the last few days** the Supreme Court has voted in favor of protection of the unborn, Second Amendment Rights, Prayer and Free Speech in schools and non citizens cannot vote in elections.
- **Protected the unborn** – decision for abortions was the duty of the states, saving countless babies from abortion
- **Protected 2nd Amendment rights** – you don't need a special reason to carry a concealed weapon
- **Protected Prayer in schools & Free Speech**
- **Protected Election integrity** – non citizens cannot vote in elections
- **Limits EPA** in curbing Power Plant Emissions
- **Overtures Biden's Red Flag Gun Laws**
- **The Supreme Court has sharply curtailed the authority of the EPA** to regulate greenhouse-gas emissions that cause climate change. In a 6-3 ruling, the court sided with conservative states and fossil-fuel companies in adopting a narrow reading of the Clean Air Act.
- **The Supreme Court has ruled that no license was necessary to drive automobile on public roads and no license was necessary to use automobile in normal, common ways:** “The right of a citizen to travel upon the public highways and to transport his property thereon, by horse drawn carriage, wagon, or automobile, is not a mere privilege which may be permitted or prohibited at will, but a common right which he has under his right to life, liberty and the pursuit of happiness. Under this constitutional guaranty one may, therefore, under normal conditions, travel at his inclination along the public highways or in public places, and while conducting himself in an orderly and decent

manner, neither interfering with nor disturbing another's rights, he will be protected, not only in his person, but in his safe conduct."

#### F. Mesaros sued by Democrat Politicians and Biden for flying Trump Flags:

- **Meet Patriots Joeylynn and Robert Mesaros.** Joeylynn is a stay-at-home mom while Robert is a plumber. Right now the Mesaros are being sued by "Democrat politicians and Biden-Harris campaign staff" for flying Trump flags next to the Biden Bus during the 2020 election. Plaintiffs claim the couple "banded together on a public highway to suppress minority voter rights," which the Mesaros say is simply "untrue". They will not go down easily.

#### G.“Barbie and Ken vs. Goliath IRS”

- **Meet Seniors and Patriots Barbara and Ken Cromar.** Ken was a documentary film producer, while Barbara was a stay-at-home mom. For the past almost five years the Cromars have been facing corruption in the judicial system on a Local, State and Federal Level.
- **See: Charlie Ward, Ken Cromar:** <https://rumble.com/v19q7sg-we-are-on-an-assignment-for-the-lord-fighting-the-system-with-ken-cromar-an.html>
- **Almost five years ago a weapon-ization of the powerful IRS machinery was launched against the Cromars.** The original charges appeared to come from their political enemies from Ken’s years on the Cedar Hills City Council. Ken had led groups of Cedar Hills neighbors to research, GRAMA request public records and eventually

exposed entrenched corruption surrounding misuse of taxpayer money, particularly with the ongoing failed Cedar Hills Golf Course. [www.CedarHillsCitizens.org](http://www.CedarHillsCitizens.org)

- **After the exposures of politicians fraudulently taking taxpayer monies, suddenly the Cromars got hit with a huge tax bill, which they refuted.**
- **The Cromars' then filed suit against the Commissioner of Internal Revenue,** resulting in his admission that the IRS had no legitimate claim (as required and lawfully signed in *Notices of Deficiency* and *Notices of Determination*) over the Defendants Cromar from 1990 through 2020 (31-years straight). The Cromars pressed for "Dismissal for lack of jurisdiction," which was granted.
- **Since then and during their almost five year battle with the IRS and corrupt judicial system,** the Cromars have twice been evicted from their home (that they own and still held title to) by armed SWAT Teams. They have been arrested without a warrant and without being read their Miranda Rights, plus were ordered bail without them present in the bail hearing. They have been denied due process, court hearings, the ability to file documents in their defense and the right to call witnesses in their case. Virtually all of Barbie & Ken's earthly possessions including Ken's professional filmmaking and editing equipment, were stolen from their home and "discarded" in some unknown landfill, reportedly in "at least 7 large dumpsters", depriving the Cromar's of their "papers and effects" in violation of the Fourth Amendment, and their ability to make a living without all of his tools of his trade.
- **Despite the IRS Dismissal and without a court hearing on the matter,** the Patriots Cromars Face Trial & 15 Year Prison for living in their own home.
- **More troubling was the sudden appearance at their home of John Earl Sullivan** (of Jan. 6 fame when he posed as a CNN reporter during the Capitol break-in). The military has since gone into Sullivan's apartment in Salt Lake and found a Ricin bottle of a high explosive spray, and spray bottles filled with a highly deadly toxin, in addition to surveillance photos of people connected to Cromar's defense team including their Military contact.
- **Sullivan showed up at Ken and Barbie's home** just days before a 75-man SWAT arrested Barbie, who was home alone repeatedly asking if "they" had a warrant (they did not).
- **Oddly and by his own admission, the Cromar's prosecuting Utah County Attorney David O. Leavitt has been tied into a 30-year investigation into Satanic Ritual Abuse of children and Child Sacrifices in Utah, Juab, and Sanpete Counties.** In a news conference Leavitt claimed that the Utah County Sheriff, Mike Smith, had targeted he and his wife in the investigation. While running for a failed re-election, Leavitt had been making headlines in recent weeks, entangled in controversies involving Utah County Sheriff Mike Smith, the Utah County Sheriff's Office and accusations of being involved in the alleged [cannibalism and murder of children](#).

- **This could happen to you.** The harassment of private citizens who have done nothing wrong by US Inc.'s illegal IRS has to stop. Please join us in the battle.
- **The Cromar's legal fees were in the hundreds of thousands of dollars.** Your support in Patriots Ken and Barbie's fight against the Goliath IRS would be greatly appreciated: <https://www.miraclesingodwetrust.com/donations-to-barbie-ken-vs-goliath-irs/barbieandkenvgoliathlrs/>

#### **M. Corrupt Democrats and Nancy Pelosi: Urgent Message from Peter Navarro**

Dear Friend:

On June 3, 2022, five armed FBI agents swooped down on me at Reagan National Airport as I was about to board a flight to Nashville for an interview with Mike Huckabee.

The FBI denied me the opportunity to call an attorney, quickly handcuffed me, and then jammed me into the back seat of a government car. I was then driven to the FBI for a mug shot and fingerprinting.

After that I was taken to a Washington, D.C., jail.

At the jail, I was first spread-eagled and strip-searched and then put in a set

of leg irons.

A prison guard then led me to solitary confinement, and I was placed in the same cell in which John Hinckley once sat after shooting President Reagan.

As you may know, last year I finished serving four years as a top White House adviser to President Trump.

Formally, I was the "assistant to the president for trade and manufacturing policy."

During my service, I helped President Trump create hundreds of thousands of manufacturing jobs and save millions of lives, implementing his policies on trade, the economy, and COVID-19.

I have no criminal record. I have never committed a violent act.

I have always been a law-abiding citizen just like you.

Why did I receive such brutal treatment — a treatment received frankly by murderers, terrorists, and would-be assassins like Hinckley?

My "crime" was simply to have stood up for Constitutional principles.

I stood up for my duty to my country and to my former commander in chief, Donald J. Trump.

The issue here is not me, Peter Navarro.

The issue is whether the so-called Jan. 6 Committee — a kangaroo Democratic committee empaneled by Nancy Pelosi without support of the minority House Republicans — can illegally weaponize the investigatory powers of the U.S. Congress.

Last February I received a subpoena from this unduly authorized, illegal, and highly partisan committee.

I made it clear from the outset that I was honor- and duty-bound not to comply with that subpoena because President Trump had invoked "executive privilege."

By law, President Trump's executive privilege is not mine to waive.

In my repeated communications, I directed the Jan. 6. Committee to go directly to President Trump and his attorneys and negotiate a possible waiver

of the privilege.

If President Trump had negotiated such a waiver, I further indicated that I would have complied with the subpoena.

Instead of following the law in this matter — or even bothering to go to court to have a federal judge weigh in on the matter — the Jan. 6 Committee voted to hold me in contempt of Congress.

They shared the contempt charge with the Department of Justice.

And the DOJ, which has never acted in such a manner in the entire history of our Republic, targeted me for a brutal arrest and show trial prosecution.

If found guilty, I now face up to two years in prison and several hundred thousand dollars in fines.

You've seen me many times on Newsmax, Fox News, and other networks.

During the Trump administration, I served as one of the president's closest advisers on trade and fighting Communist China.

I helped President Trump as he saved and created hundreds of thousands of private sector jobs that were to be outsourced under previous policies.

During the pandemic as the Defense Production Act policy coordinator, I worked with President Trump as he literally saved hundreds of thousands if not millions of American lives.

Make no mistake about it, the very same Pelosi-created Jan. 6 Committee that jailed me has a much bigger target.

That kangaroo committee of seven Democrat partisans who first pushed a now discredited Russia collusion hoax wants nothing more or less than to put Donald Trump himself in prison.

They are so afraid of President Trump returning to the White House, they will do anything to stop him.

They are desperate to keep the public's attention off raging inflation, a recession, skyrocketing oil prices, and a disastrous foreign policy.

I became their target and their scapegoat.

You should know my case is unprecedented.

In the history of our nation, no senior White House official has ever been arrested on a contempt of Congress charge, put in leg irons, and pushed into a prison cell.

No one!

From the outset, I have made it clear this fight is not just about my freedom.

This fight is also about combating the illegal weaponization of Congress' investigatory powers.

It is about stopping the political weaponization of the FBI.

It is about protecting you and your family and all the freedoms we hold dear.

If Pelosi, Biden, and their cronies can get away with this, they will be able to imprison and destroy anyone!

You know me as a fighter and a man of principle.

President Trump has described me as "a smart guy and a good guy" who has "done a wonderful job."

Today, I am in the fight of my life and urgently need your help.

So please consider giving to my legal defense fund at:

<https://www.givesendgo.com/navarro>

Please donate \$25, \$50, or \$100 or more and help me raise the estimated \$1 million or more in legal fees I will likely need to stay out of prison.

With YOUR help, I will take this fight all the way up to the Supreme Court.

The high court is duty-bound to settle the law on the Constitutional issues raised in my case.

My ultimate mission is to get these critical legal controversies settled in a way that will put an abrupt end to the Democrats' tyranny and preserve the sanctity of executive privilege.

When you send \$100 or more, I will personally send you a free copy of my forthcoming new bestselling book, Taking Back Trump's America, with an autographed book plate.

Taking Back Trump's America provides a critical MAGA blueprint and clarion battle cry for putting Trump back in the White House in 2024 and

taking back Congress from the Pelosi-ites in 2022.

So please give to my legal defense fund today.

If they can come for me and Donald Trump, they can come for anyone!

Sincerely for America,

Peter Navarro

#### **N. The Real News for Thurs. 30 June 2022:**

- **Newsmax Airs 2020 Election Fraud:** President Trump sat down for an interview with Newsmax. He forced them to cover the stolen election and even mentioned 2000 Mules. This is huge that Newsmax actually aired this. “This was about a rigged and stolen election that millions and millions of people felt is true. Nobody wants to have a country where they think the elections are rigged and stolen. The one thing they don’t want to talk about, when they talk about silencing... are the election results, because they can’t win.”

- **Joe Biden's Child Sex Trafficking & Drug Crisis Absolutely horrible:** “America is the number 1 consumer of child sex material.” “They are sold online & on every social Media platform.” The silver lining in all of this is that this has been happening for a very long time now, right under our noses. Remember what Dr Oz said.... “I went to war with Big Tech, because they were selling kids online.” The world is beginning to find out... so much more is on the way.
- **Explosive Report Confirms Expansive CIA 'Stealth Network' Of Spies & Commandos Inside Ukraine:** A fresh New York Times report has confirmed what many already suspected - that the CIA is still very active inside Ukraine - especially with training as well coordinating weapons among its Ukrainian allies. The Times report details "a stealthy network of commandos and spies rushing to provide weapons, intelligence and training," based on US and European intelligence officials with knowledge of the operations. The report says Ukrainian forces are reliant on this Western clandestine network "more than ever" while outgunned by the Russians. The new Times reporting confirms that the US program is not only active and ongoing, but appears larger in scale than previously thought given the CIA's close cooperation with the Ukrainians is

happening both inside and outside the country, across multiple locations. "Much of this work happens outside Ukraine, at bases in Germany, France and Britain, for example. But even as the Biden administration has declared it will not deploy American troops to Ukraine, some C.I.A. personnel have continued to operate in the country secretly, mostly in the capital, Kyiv, directing much of the vast amounts of intelligence the United States is sharing with Ukrainian forces, according to current and former officials," the report indicates.

- **After a deeper dive on the impeachment debacle,** the webs of corruption were more intertwined than thought. Ukraine was the keystone. Ukraine had the goods on everything.
- **Back in November 2019, Trump was speaking in an hour long interview on Fox and Friends. He claimed the DNC hid the server with a company in UKRAINE.** See: “A lot of it had to do, they say, with Ukraine. They have the server, right? From the DNC ... they gave the server to CrowdStrike — or whatever it’s called — which is a company owned by a very wealthy Ukrainian, and I still want to see that server. You know, the FBI has never gotten that server. That’s a big part of this whole thing. Why did they give it to a Ukrainian company?”
- **This is a rhetorical question from Trump. Of course he and Military Intelligence knew everything behind closed doors, but as soon as he publicly started talking about Ukraine, the Dems launched their impeachment scam,** shortly followed by releasing C19 on the world just a month later, and thus they were able to hijack the narrative, and everyone forgot about the Dems’ dirty dealings in Ukraine.
- **2.5 years later, with more pieces to the puzzle, we can see the DNC set up an entire puppet government in Ukraine and have been using the nation as a proxy to carry out acts of global bioterrorism.** Now it makes more sense as to why they sent the crowdstrike server to Ukraine, because Ukraine was a proxy government fully subservient to the Deep State. Fully outside the scope of US government oversight and jurisdiction, yet still in control of the Deep State players.
- **Ukraine was clearly the Deep State stronghold for the DNC.** All the dirty shit they couldn’t get away with here in America, they just sent it to Ukraine. Just like they did

with the Crowdstrike server, human trafficking, drug trafficking, money laundering, unethical medical experimentation, biological weapons production. Just send it over to Ukraine, and the US government can't do anything about it without using military force.

- **Now it's starting to make more sense as to why specifically the Democratic politicians in the US were the ones most concerned that Russia might move into Ukraine.** As well as to why, out of nowhere, the left-wing and globalist politicians worldwide began publicly worshipping Ukraine. Why Joe Biden and the US establishment are sending tens of billions of our tax dollars to Ukraine. Why the western media complex wants you to believe Putin is literally Hitler.
- **All of it is because they are desperately clinging to power**, and Ukraine is the stronghold for all of their Deep State activity since around 2014. Ukraine is the Deep State Keystone.
- **If Ukraine falls, the Deep State falls.** Putin is gunning for the head of the snake.

**Jenny Hill's witness to a Satanic Child Sacrifice Rite:** [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrwg4>

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic

Worshippers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

**S. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:**

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

**T. The following have been set up to report Crimes Against Children and incidents of human trafficking,** although I cannot verify as to the influence of Satanists within these organizations:

**U. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**V. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.*

*After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for at least 90 days, so I will be going silent and taking that time to get my humanitarian project organized and going.*

*This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
